**From the North** (on I-87 South), West (on I-84 East), or East (on I-84 West): From the North, exit off I-87 South to I-84 East towards CT. After only a few short miles, exit off I-84 to Route 9W at Newburgh, NY. From the West, exit off I-84 East to Route 9W at Newburgh, NY. From the East, after crossing the Newburgh-Beacon Bridge, exit off I-84 West to Route 9W at Newburgh, NY. ALL, follow Route 9W South through Newburgh and over Storm King Mountain. After coming down the south side of the mountain, you will be faced with 3 right side exits for West Point. The 1st exit appears immediately after you finish the steep descent over the mountain and is for West Point and Route 293 / Route 218 North. Get off at the first exit and turn left on to Route 293 at the bottom of the ramp. Camp Buckner is approximately 3 miles down the road on the right hand side.

**From the South** (on I-287 / I-87 North): Exit off I-87 North (NY Thruway) to Route 6 East before the main stream toll booths. You'll pass through your own toll booths (50 cents) after exiting, so don't be alarmed that it appears as though your are bypassing the main toll booths on the highway. After the toll booth, get in the right lane to exit the freeway. At the traffic light, turn left and proceed on Highway 17 for two more lights. Make the next left onto Route 6 East. You'll see West Point signs along the way also. Once on Route 6 East, you'll travel about 3 miles uphill until the two lanes merge into one. Shortly thereafter, you'll bear left off of Route 6 East for Route 293 (look for the West Point sign - this is easy to miss).
