Stuff you need to know that you likely won't read

Registration: Registration can be completed online through BikeReg

New non-collegiate women racers with 1-day or first time USAC Category 4 licenses may enter Collegiate Women's Intro Category. All other collegiate categories are open only to full time students with valid USAC Collegiate Licenses. USA Cycling Collegiate & general yearly and 1 day licenses available for sale on site.

Event registration is available online at Bikereg.com. \$5 Late Fee PER RACE for day-of registration. Service surcharges may apply for online registration. The Collegiate race entry fee is \$15 (\$20 for team time trial). Mail-in registration is available for collegiate teams and must be received by April 19, 2011, (contact race directors for more details). Day of race registration opens at 7:00am and closes for each race 30 minutes before start time.

Large ECCC Teams may submit a spreadsheet with the following information: Rider Name, USAC License Number, Race Category and Races being entered for each rider.

*The 2012 Nittany Classic is held under USA Cycling Permit

Lodging: There are a multitude of hotels in and around the city of State College. We recommend using Priceline or a similar service to locate a hotel. There are also campsites and cabins available at Black Moshannon State Park. You can make reservations for these accommodations here: http://www.pa.reserveworld.com/SelectCampArea.aspx?PK_ID=6102. For available host housing, contact ECCC host housing coordinator Jessica Kutz (jlk5268@psu.edu.) for more information on available housing

Intro Races: Intro racers should report to the race staging area 30 minutes prior to their race for an off-course instructional session.

Medical Services: Ambulance and EMT services will be provided by Centre LifeLink on Saturday for the road race and team time trial. On Sunday, ambulance coverage will come from Penn State's University Health services. Both days, racers will be transported to the emergency room at Mount Nittany Medical Center. Mount Nittany Medical Center contact info : 1800 E Park Ave, University Park, PA, 16803, 814-231-7000

Parking for Black Mo TTT and Road Race

Unlike last year, we are not allowed to park near the intersection of Beaver Rd and SR 504. This is a public parking lot, and the Park wants to keep it open for any non-bikers that want to enjoy the park that day.

We can park in two different areas. The first is the Organized Tenting Area (RED TEXT). The Penn State team used this area last year, and we basked in the glory of a fireplace to warm our wet clothes once we finished our TTT.

The second proposed parking area is the tiered parking (BLUE TEXT) right off the intersection of SR 504 and Beaver Rd. This is near the corner just at the bottom of the first descent, right before the start finish line. If parking here, be aware that this is an active intersection for the race.

Note: The proposed start/finish line will be farther away from the SR 504/Beaver Rd intersection than it was last year. This will be done to cut down on congestion near that corner.
