Directions to TTT & Road Race (Note: The easiest way to get to the Road Race parking lot is Exit 16, Lake Welch Exit of the Palisades Interstate Parkway) GPS/Google Address - Lake Welch Beach, 800 Kanawauke Rd, Stony Point, NY)

- **From the North (on Route 9W South):** Route 9W South past all the West Point exits, through the town of Fort Montgomery, and exit right after crossing a bridge onto Route 6/Palisades Parkway. It will be a two lane exit to the right just after getting over the cement bridge. If you missed this, then you came to a traffic circle! Not to worry, you can take the first right turn out of the circle to get on the Palisades as well. Once on the Palisades Parkway, continue to Exit 16, Lake Welch. DO NOT exit the Palisades before

Exit 16, or you'll head West on Route 6! This would be bad. Exit 16 will take you directly to the parking lot for the road race. This is where you'll find the Saturday AM final registration.

- **From the South:** From the South follow directions to Route 6 East. Once on Route 6 East, recall that you'll travel about 3 miles uphill until the two lanes merge into one. Shortly thereafter, instead of bearing right for Route 293 and West Point, continue on Route 6 East. After about 4 miles on Route 6 East (mostly downhill), you'll come to a traffic circle. Exit the traffic circle to the right onto the Palisades Parkway South. Once you are established on the Palisades Parkway heading south, continue to Exit 16, Lake Welch. Exit 16 will take you directly to the parking lot for the road race. This is where you'll find the Saturday AM final registration. Please drive safely and obey all posted speed limits.

Directions to Criterium (GPS/Google Address - Shea Stadium, Townsley Rd, West Point, NY)

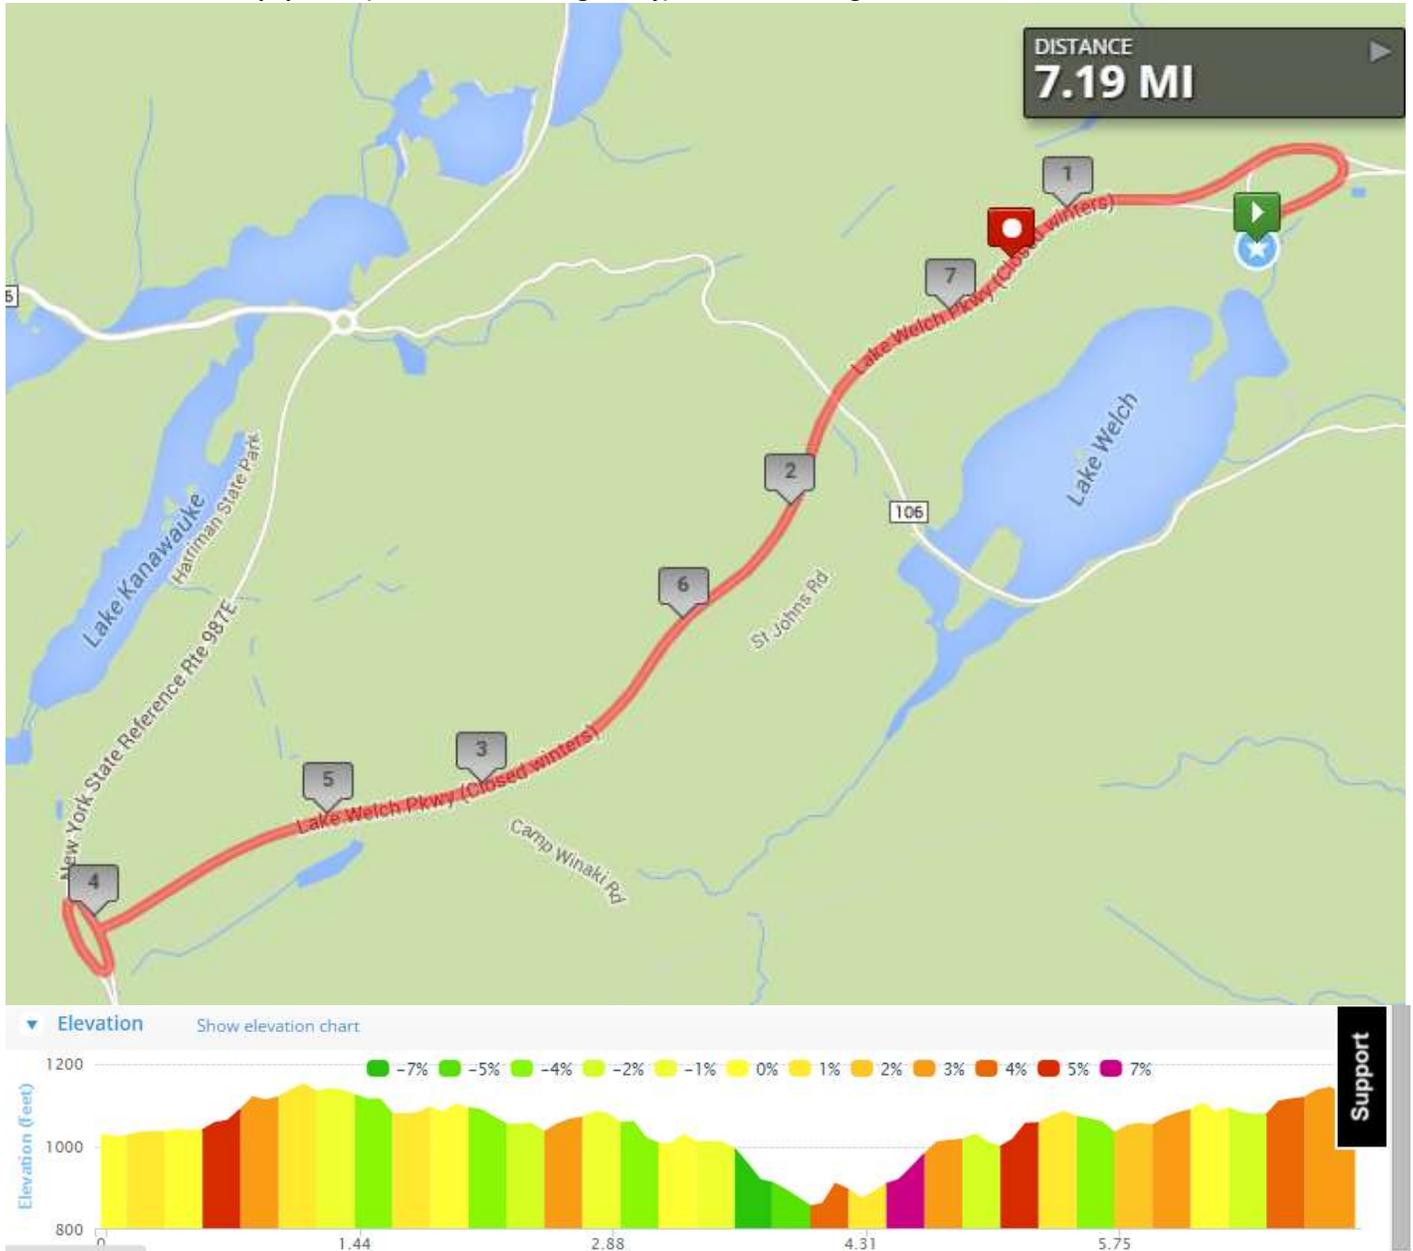

IMPORTANT Note: Everyone MUST have your ID present to get onto the West Point Campus. All vehicles will be inspected prior to entering the campus.

- **From the North:** I-87 south to I-84 east. Exit off I-84 West to Route 9W south at Newburgh, NY. follow Route 9W South through Newburgh and over Storm King Mountain. After coming down the south side of the mountain, you will be faced with 3 right side exits for West Point. The 1st exit appears immediately after you finish the steep descent over the mountain and is for West Point and Route 293/218 north. You must continue on and exit for Stony Lonesome gate to get on post. Follow signs to bike race and Shea Stadium for Hill ITT.
- **From the South** (on I-287 / I-87 North): Exit off I-87 North (NY Thruway) to Route 6 East before the main stream toll booths. You'll pass through your own toll booths after exiting, so don't be alarmed that it appears as though you are bypassing the main toll booths on the highway. After the toll booth, get in the right lane to exit the freeway. At the traffic light, turn left and proceed on Highway 17 for two more lights. Make the next left onto Route 6 East. You'll see West Point signs along the way also. Once on Route 6 East, you'll travel about 3 miles uphill until the two lanes merge into one. Shortly thereafter, you'll bear left off of Route 6 East for Route 293 (look for the West Point sign - this is easy to miss). Proceed on Route 293 continuing past Camp Buckner (with a flashing yellow light) to 9W. Take 9 W South to the next exit & follow signs to Stony Gate entrance. Follow signs to bike race & Shea Stadium for Hill ITT.

TTT Race Course Description and Map: The TTT is simply and out and back course. Racers will go left out of the staging area (Lake Welch Parking Lot) and continue down the road until they come to a circular intersection (a roundabout), and then return along the same route. **No aero equipment (USAC mass start legal only) allowed in collegiate races.**

Road Race Course Description & Map: The Road Race is the same course as last year's course. 14 mile loop with 2 climbs. Yellow line rule will be strictly enforced in this race. Any violations for any reason may subject the entire field to disqualification. The finish line is adjacent to the feed zone; approximately 1 kilometer before the entrance to Lake Welch. **Note for Intro Riders:** Your coached portion of your event will be going the opposite direction of the race course starting at Lake Welch. Once all fields have passed by on their first lap, the groups will reconvene, turn around, and head back towards Lake Welch for the racing portion of your program.

Criterion Course Description & Map: Right along the Hudson River, the course will run counter clockwise around the field and track at Shea Stadium. It will be entirely closed to traffic. Each lap is approximately 1 kilometer with racing visible to spectators for most of the lap. There are many great spectator spots on this course, so bring your cow-bells.
