USAC Race Prizes: For the criterium: both races will offer merchandise prizes to the first 3 riders in each field. For the road race: In the Men's 2/3, with a minimum of 20 riders, \$200 to 5 places; payout increases \$75 and one place for every ten additional riders. (For example, in the Men's 2/3, a 50-rider field would pay out \$625 over 8 places.) In the Men's 4/5, with a minimum of 20 riders, \$150 to 5 places; payout increases \$60 and one place for every additional ten riders. For both fields, 40+ master riders will be given their own ranking within the placings, and top 3 will receive trophies.

Pre-Registration is available on-line at BikeReg.com, where service charges might apply. Registrations not received before 5pm on April 5th will incur a \$5 per rider per event late fee. Large ECCC Teams may submit a spreadsheet with the following information: Rider Name, USAC License Number, Race Category and Races being entered for each rider. This spreadsheet must be sent to eccc.road@gmail.com and received by April 5th at 5pm in order to avoid a \$5 late registration fee per rider per event.

Promoter is not required to refund pre-registration in an event of an unforeseen cancellation.

Team Time Trial Course Description: A 9.5 mile out and back course with rolling terrain through the northeastern part of Huntingdon.

Criterion Course Description: 0.8 mile criterium in “downtown” Huntingdon. There is very little (~30 ft) elevation change per lap so this should be pretty fast. The route runs along shops and residences in Huntingdon so this will be an opportunity for local businesses as well as the community. Roads will be closed with marshals at every corner and traffic redirected. Road surface is exceptional, corners will be maintained and marked. Course will run counter clockwise.

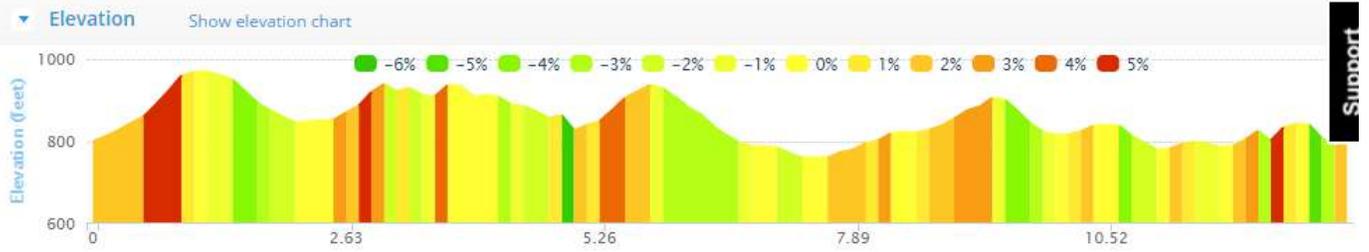

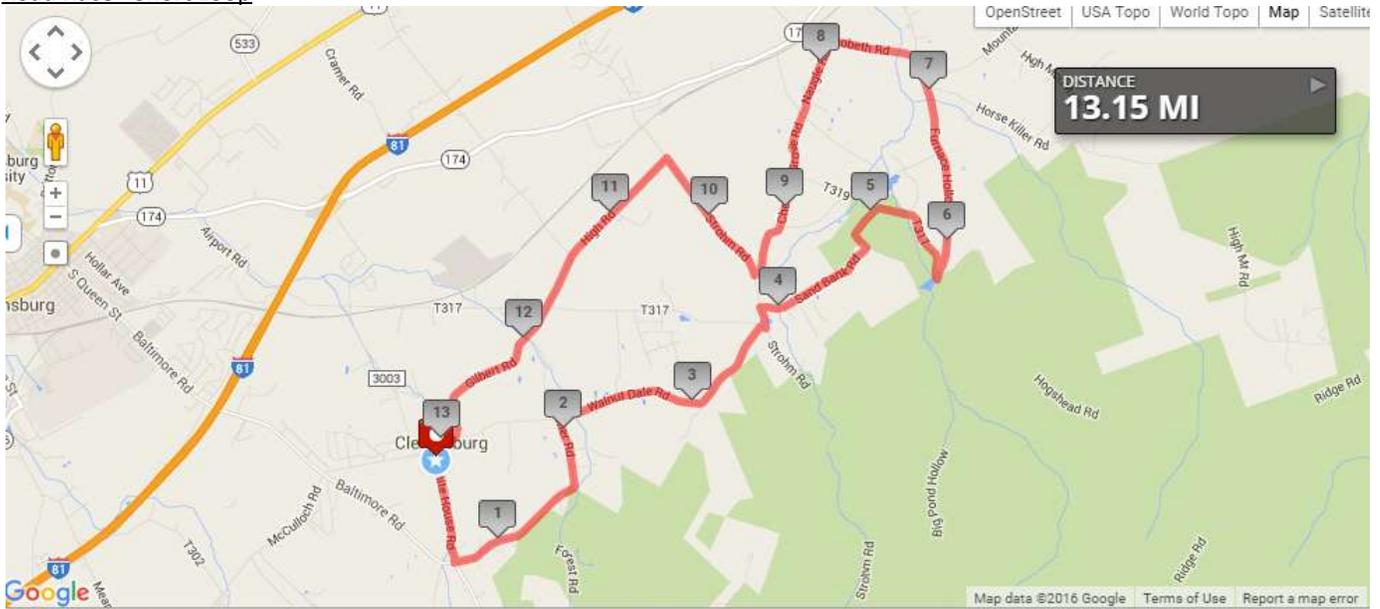

Road Race Course Description:

The course loop is rolling with two significant low-grade climbs and punctuated halfway through by a beast of a climb (Horse Killer Road) that will test the guts of any rider that attempts it. The climb is not very long but is brutally steep. Once you reach the top it is a quick decent right back down. PLEASE USE CAUTION on this decent. It has many turns and some blind spots to traffic. The Horse Killer Rd. climb will only be used on the long course. The short course simply cuts it off (see maps below).

The following is the schedule by which riders will race the short loop ("short") and the Horse Killer loop ("HK"):

| Start | Field | Lap 1 | Lap 2 | Lap 3 | Lap 4 | Lap 5 | Lap 6 | Distance |
